## **FY 24 Proposed Budget**

### **Introduction**

FY24 Draft

Printed: 13-Mar-23

#### **Fiscal Year 2024 Budget**

Each year the Commission President, Management and Department Supervisors meet to discuss the budget process. This discussion provides the principal guidance for the preparation of the Town budget, objectives, and actions to be undertaken during the upcoming fiscal year.

The goal of the Town's annual budget is to provide a plan that allocates resources to meet the priorities of the Town Commissioners. In preparing the FY 2024 Operating and Capital Budget, a strategic planning worksession is held with the Commissioners to review the proposed budget. The input gathered through this process provides the basis for the proposed budget.

The Town's Proposed FY 2024 Budget is balanced, funds all debt service obligations, and funds critical operation and maintenance items. As has been the case for the last several years, the Town continues to grapple with rising costs for construction projects, equipment replacement and overall increased costs for goods and services.

**Property Tax Revenue.** Property taxes have been a stable source of general fund revenue. **The FY 2024 proposed budget maintains the constant tax rate .1781¢ per \$100.00 of assessment.**

**General Fund Expenses.** Over 70% percent of the General Fund revenue provides for the operations of the Town, such as trash service, employee expenses, facilities, parks and community support. For FY 2024, the projected overall General Fund operating expenses are \$3,797,108.

**Water and Wastewater Fund.** 100% of the Water Fund revenue provides for the operations of the Enterprise Fund, such as electricity, permitting, employee expenses, chemicals and maintenance of the systems. For FY 2024 the projected overall Water fund operating expenses are \$1,785,904. **There are no projected rate increases for FY 2024.**

**FY 2023 Budget Updates.** Throughout FY 2023, amendments to both the operating fund and capital projects accounts have occurred as follows:

##### ***General CIP***

- Revenue projections have increased by \$479,214.
- Increased fireworks contribution by \$16,500.
- \$52,000 allocated towards a Townhall audiovisual system.
- Received a \$92,000 grant for LED streetlights.
- Allocated \$2,000 towards pollinator patches.
- Transferred \$50,000 from Development Rec. fees to the Steven's Park basketball courts.
- Transferred \$24,000 from Development Rec. fees to pickleball court improvements.
- Transferred \$40,000 from Development Rec. fees to the Halmos restroom rebuild.
- Allocated \$10,000 to purchase AED's.

##### ***Water/Wastewater CIP***

- Allocated \$1,500 towards well permitting.
- Allocated \$95,000 towards PFAS remediation.
- Transferred \$620,000 from impact fees and \$135,000 from unrestricted funds to wells 4 & 14 development.
- Added \$10,000 for equipment replacement.
- Allocated \$56,216 to the WWTP roof project.
- Allocated \$222,358 to repaint the water tank.

# **THE TOWN OF POOLESVILLE**

## **FY 24 Proposed Budget**

### **BUDGET REVIEW - Operating Accounts**

FY24 Draft

Printed: 13-Mar-23

#### **General Fund Operations**

The FY24 General Fund Operations Accounts detail specific costs associated with the management of Town affairs and maintenance of all aspects of Town owned properties and services on a daily basis.

The General Fund Operating Account can be divided into two parts:

Town Operations	\$3,640,738
Debt Service	\$158,870

1. Town Operations include the following:

**Salaries and benefits** for Town staff of 20 full-time and 5 summer helpers.

Administrative operations of Town Hall.

**Professional support**, such as engineering, legal, accounting/auditing, planning & zoning, Human Resources, Grant Writing inspections and code enforcement.

**Annual maintenance** of Town streets and parks, including snow removal, mowing, ball field maintenance, street tree care, park equipment maintenance and all such efforts required to keep Poolesville a pleasant and attractive place to live.

**Trash** collection, twice weekly, yard waste and recycling.

**Support of community outreach programs**, such as the grants program, annual fireworks display, Poolesville Day, Post Prom, etc.

**Support of Community Events**, such as the Holiday Lighting Ceremony, Fridays on the Commons, Spring Fest, and Oktoberfest.

2. Debt Service includes the repayment of loans to complete certain public works projects. Currently, there are two outstanding loans: (See page 6 for details)

In FY04, a \$1,250,000 loan was made to complete the upgrade and expansion of the Wastewater Treatment Plant. As Impact Fees are collected from new home construction, they are applied to the loan.

In FY15, a \$2,304,000 loan was made to complete the Westerly I & I relining project.

#### **Water and Wastewater Operating Fund**

The Commissioners continuously strive to streamline both the water and wastewater operations and the handling of the Fund's budget in order to control escalating costs as much as possible. In general, improvements have been made, but inflationary pressures, aging infrastructure and increasingly stringent requirements continue to challenge the efforts to maintain a self sufficient water and wastewater operating fund.

Over the past year, increasing salaries, benefits, communications, chemicals, sludge hauling, increased water testing and maintenance have escalated operational expenses.

# **THE TOWN OF POOLESVILLE**

## **FY 24 Proposed Budget**

### **BUDGET REVIEW - Capital Projects and Spending**

FY24 Draft

Printed: 13-Mar-23

#### **General Capital Projects**

The Capital Projects section of the budget sets the priorities for funding and spending for projects for the betterment of Poolesville as well as those projects necessary to maintain our infrastructure.

General Fund Capital projects are divided into seven accounts, with the following FY22 funding allocations:

#### **Highlights of the General Capital Funding Plan include:**

1. The 2005 account includes (see page 17 for details)  
Funding for future office requirements, technology upgrades, communications equipment, website updating
2. The 2010 account funds municipal building needs (see page 17 for details)  
Storage building, Historic Medley grant, Town Hall maintenance, Community Center, pole banners, replacement doors
3. The 2015 account funds general equipment and mower purchases (see page 18 for details)  
Funds for holiday lights, replacement equipment, mowers, snowblowers (7-year cycle)
4. The 2020 account accumulates funding for a ten year replacement of vehicles (see page 19 for details)  
Parks and Streets Department trucks on a ten-year replacement cycle
5. The 2025 account provides funding for major Town projects (see page 20 for details)  
Sidewalks, GIS system, Fisher Avenue Streetscape, Hughes Rd and Tom Fox Ave intersection improvements, Whalen Park electrical upgrade.
6. The 2035 account includes (see page 21 for details)  
Park equipment replacements, Halmos Park restrooms replacement, rubberized tot lot mulch removal, pollinator patch, bollard replacement, soccer goals, Stevens park lights and restroom replacement, pickleball courts, bouldering park.
7. The 2040 account includes road reconstruction projects (see page 22 for details)  
Repaving in FY 23, FY25

#### **Water and Wastewater Capital Projects**

All Water and Wastewater Capital Projects are funded from the General Fund, and are independent of the operating budget discussed previously.

#### **Highlights of the Water and Wastewater Capital Projects Funding Plan include:**

1. The 3130 account includes (see page 29 for details):  
Water Department equipment replacement, water valve replacements, alpha media replacement, Well 14, PFAS remediation, hydrants.
2. The 3150 account includes (see page 30 for details):  
Wastewater pump replacements/rebuilds, WWTP denitrification filters. (State Grant Funding)  
WWTP roof, WWTP painting
3. The 3160 account includes (see page 31 for details):  
Water and Wastewater department vehicles.
3. The 3167 account includes (see page 32 for details):  
Scheduled replacement of existing equipment.  
Funds for water meters, replacement hydrants, lab equipment, road saw
4. The 3169 account provides funding for the repair/replacement of the Town's sewer system. (see page 33 for details)
5. The 3170 account provides funds for large water and sewer infrastructure repairs/replacement. (see page 34 for details)

## FY 24 Proposed Budget

### OVERVIEW - Budgets and Taxes

FY24 Draft

Printed: 13-Mar-23

As shown by the chart on the right, Poolesville's revenue comes from six major sources and many smaller ones. In addition, revenue may be received from Impact Fees and State Grants for specific projects. Those are highlighted in the appropriate areas of this Budget.

The curves below track the application of these funds for this fiscal year as well as the past 5 years. Projections and Reserves are also shown for the next 3 years. The charts on the bottom highlight the Town's assessable tax base over the same period and also reviews the property tax rate for the past 5 years.

#### FY24 Revenue Sources

#### General Fund: Expenditures, Revenue, and Trends

#### Total Property Assessment (100% Valuation)

#### Town Property Tax Rate (100% Valuation)

# THE TOWN OF POOLESVILLE

## FY 24 Proposed Budget

### OVERVIEW - Town Population and Public Infrastructure

FY24 Draft

Printed: 13-Mar-23

#### Town Population

#### Number of Homes

The population chart reflects the 2020 Census results of 5,742 and Future growth projections are calculated using 20 houses per year, with 3.2 persons per household. The population target remains at 6,500 per the 2023 Draft Comprehensive Plan.

With the limited number of homes that will occur over the next few years, the miles of Town streets used by our residents and maintained by Town staff will likely not increase much more. Likewise, the acreage of Town parks and recreational areas will increase minimally.

As the Town has grown, personnel and equipment needs have been and still are being addressed to accommodate the requirements of the parks, administration, wells and wastewater treatment.

#### Town Employees

#### Acres of Town Parkland

#### Miles of Town Roads

#### Notes

[1] The General Fund Summary is divided into two parts:

- \* The upper section presents the status of the Operating Account, including yearly revenue, allocations for Capital Projects, the Annual Operating Balance, Unrestricted Funds carried forward, and finally, the Unrestricted Funds Close-Out Balance for the year. Included in the summary is the application of any excess Cash Reserves into the budget year.
- \* The Commissioners will maintain unrestricted reserves at 17.5% of the budgeted general revenue.

[2] The lower section summarizes the activity in the General Fund Capital Projects Account, including funds carried forward, new funding from the Operating Account, and funding from other sources, all summarized in the total funds available for General Capital Projects. Actual or Planned Capital Spending is shown, ending in the Funding Balance for Capital Projects.

[3] In addition to cash assets, the Town owns several pieces of real property:

#### Buildings and Municipal Facilities

Town Hall	Maintenance Building
	Eleven Well Houses
Wastewater Treatment Plant	Equalization Lagoon
Seven Sewage Pump Stations	

#### Parks and Recreational Facilities

Stevens Park	Campbell Park	Lori Gore Park
Halmos Park	Wootton Heights Park	W. Willard Practice Field
Bodmer Park	Brooks Park	Collier Circle Pond
Whalen Commons	Elgin Park	Dr. Dillingham Park
Perkin's Park	Hoewing Park	Behrend Park

[4] See page 17 for Town-owned vehicles.

#### Account Descriptions

The Major Account Group 600 has funds budgeted in every even-numbered year, when elections for Town Commissioners take place. Included is the cost of all pre-election preparation, election day activities, and follow-up as may be required.

- 605 These are costs associated with printing Absentee Ballots, delivered by certified mail, etc.
- 610 Costs include the rental of four voting machines and the services of one operator.
- 615 This account covers the costs of attorney's fees to meet with the Board of Elections, offer legal guidance, and respond to other inquiries.

The Major Account Group 700 includes salaries, social security, insurance, hospitalization, and retirement plan contributions for the Town Manager, Town Clerk-Treasurer, Deputy Clerk, the Public Works staff, Water and Wastewater staff, and other temporary employees, such as for the Summer Recreation Program, that may be hired. At present, Poolesville has a total of fifteen (19) employees.

- 705 Includes salaries for all Town employees.
- 710 Includes the costs for federally-mandated Social Security and Medicare programs.
- 715 This account includes the Town's voluntary benefits package, including Medical plan, Insurance plan, and Retirement contributions.
- 720 This account covers the cost of mandated Workmen's Compensation Insurance.

755, 760, 765

These accounts reflect the cost associated with salaries and benefits attributed to water and wastewater.

#### **Notes:**

- 1 FY24 Salary increases are 6.5% equal to the CPI.

#### **Account Descriptions**

The Major Account Group 800 summarizes the costs associated with Poolesville's service contract with the Town Attorney.

805 The account covers attorney's fees for attendance at meetings, normal opinions, responding to questions, and other general legal issues. This includes costs for representing Poolesville in lawsuits and other challenges that may be raised by third parties.

810 This covers the review of Bond documentation, preparation of easements, review of site plans, and negotiations with property owners.

815 The Planning Commission has completed the Code Revisions.

The Major Account Group 900 covers general/liability insurance for Town Hall, the Maintenance Building, and Old Methodist Church. In addition, this Group cover the costs of electricity, maintenance, and supplies for all General Fund Town buildings, as well as costs associated with municipal operations.

910 Includes insurance coverage (property, general, and liability) for Town buildings and for insurance for the Commissioners acting as a legislative unit.

915 Electricity and Heat includes utility costs for Town buildings. In general, electricity is used to heat and air-condition all buildings.

920 This account covers the cost of all expendable and supply items, such as nuts, bolts, nails, cleaning supplies, paper towels, toilet paper, and other general supplies necessary to properly maintain and operate all Town buildings.

925 This account covers the cost of maintenance and repair of Town buildings. Townhall cleaning service, fire monitoring system, infestation control and Montgomery County Fire Code Inspections.

940 Includes expenses associated with providing proper work clothes, rain gear, cold weather gear, safety boots, etc.

950 This account covers the cost of maintaining insurance on Town vehicles.

955 This account covers the repair and maintenance, including the costs of gas and oil, for Town trucks and mowers.

960 This covers items such as hammers, screwdrivers, shovels, drills, etc., and other small items not generally included in the Capital Projects Budget.

#### **Account Descriptions**

The Major Account Group 1000 covers all costs associated with the general maintenance and repair of all Town streets, storm water systems, street signs, street lighting, truck expenses, as well as the cost supplies and specific expenses for snow removal (note that Town staff salaries, including overtime, for snow removal, are included in Account Group 700).

- 1050 This account includes minor repair and maintenance to roads following water main breaks and other road surface failures with gravel and cold patch. Permanent repairs are completed when major resurfacing projects are scheduled as identified in the Capital Projects section of this Budget.
- 1055 Included in this account are the costs for the cleaning of, and minor repairs to, storm drain inlets and pipes. Treatment for algae. Major work items are included in the Capital Projects section of this Budget.
- 1060 This account covers the installation of new street signs, and the repair/replacement of older signs, as may be required.
- 1065 The maintenance and operation of the Town's residential street lights (700) and Cobra Head lights (about 65) by contract. Electricity costs by First Energy.
- 1070 Included in this account is the cost of salt, and other materials that may be spread on Town roads, as may be required during snow/ice events. It also includes the cost of special items that may be needed for snow removal, as well as the cost of equipment repairs and contract personnel for snow removal.
- 1085 This account covers the cost of repairing and maintaining all Town sidewalks.

#### **Account Descriptions**

The Major Account Group 1100 covers those expenses associated with maintaining Poolesville's parks, and the aesthetics of the Town streets. Included also are the costs of summer recreation programs. In general, major projects are included in the Capital Projects section of the Budget.

1150 This includes the cost of lighting of the tennis and basketball courts at Halmos Park, and the security lights at Halmos and Stevens Parks.

1155 This account covers the cost of repair and maintenance of equipment in the tot lots, as well as the baseball field fences and bleachers. It also includes re-seeding the fields as necessary, annual fertilizing and weed killing treatments, gravel to repair parking lot damage, as well as mosquito control. Major projects addressing the upkeep of our recreational facilities are included in the Capital Projects section.

1160 This line item covers the cost of the purchasing and planting of all street trees.

1165 This account primarily addresses the costs for the maintenance and replacement of existing street trees and the miscellaneous purchase of shrubs and annuals.

1170 Included are the costs for equipment, transportation, State registration, background checks and supplies.

The Major Account Group 1200 covers the costs associated with the services contract with the Town Engineer for general engineering services, including attendance at Town meetings and other projects as directed by the Commissioners and/or Town Manager. It also includes the cost of services rendered for supervision of building roads, sidewalks, storm drainage systems, and other infrastructure in new subdivisions.

1205 This account captures the cost of providing the services described above, other than costs charged directly to specific Capital Projects.

1210 Some of the costs in this account are offset by the receipt of developer fees.

1300 This account provides funding for reports, surveys, duplicating or publishing of plans and reports specific to the duties of the Planning Commission.

1305 This line item would be for the development of a new Comprehensive Plan with a consultant to create a citizen driven plan

#### **Account Descriptions**

The Major Account Group 1400 covers the activities of the Code Enforcement Officer and the Plumbing Inspector.

1425 This is a contract position established to insure enforcement of Poolesville's Code.

1435 This is a contract position covering the inspection of new connections to the municipal system and gas connections, as well as alterations to existing connections. In general, the costs in this account are offset by the permit fees in revenue account 223.

The Major Account Group 1500, Municipal Services, includes the cost associated with the Town's contract with Bates Trash Service to provide regular residential trash, yard waste and recycling pickup.

The Major Account Group 1600 is used to maintain a positive balance in the Water & Wastewater operating account. Funds are intermittently transferred on an as-needed basis at the direction of the Town Manager, with the cognizance of the Commissioners. Funds for Water & Wastewater Capital Projects are funded separately by the General Fund as part of the Town's overall Capital Projects program, and are identified elsewhere in this Budget.

The Major Account Group 1700 covers the repayment of loans incurred for past Capital Projects. The details of the current outstanding loans are found on page 6. The Commissioners have adopted a policy that all Capital Projects, both General Fund and Water/Wastewater Fund are paid for by General Revenues.

#### Notes

[1] This page summarizes the seven Capital Projects accounts associated with General Fund capital expenditures. The summary is divided into three sections as follows:

- \* The top part of the page summarizes the costs of the various projects and the overall funding streams developed to implement those projects. Also included in the top section is a summary of all special funding available to augment the regular General Funding. The bottom line in the top section, Acct. 2000, subtracts the special funding and identifies the Net Amount which has been, or will be, funded from General Fund Revenues.
- \* The middle part of the page summarizes the programmed expenditures of the funds to accomplish the various capital projects.
- \* The bottom part of the page reflect the remaining balances in each of the accounts at the end of each Fiscal Year.

[2] See the following Capital Account pages for detailed information.

#### Notes

##### Shading key in Table:

##### Expenditures/Closed Projects

##### Budgeting, Planned Expenditures for this Budget Year

The Town equipment purchasing takes advantage of fleet, State and County contracts as applicable from each vendor.

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure.

**2015** This account covers the expenses for capital improvements to existing streets and parks infrastructure and for specific equipment.

Equipment replaced is based on years in-service, condition and economic serviceability

##### Project was funded with excess funding from completed projects.

- Replacement of existing equipment
- This will replace the 2002 snow blower
- This mower will replace the 2011 72" mower
- This tractor will replace the 1989 Kubota L2250
- This mower will replace the 2013 72" mower
- These 2 mowers will replace the 2013 Jacobson
- This equipment will replace the 2010 Ballfield Draggar
- This mower will replace the 2015 72" mower
- This will replace the 2015 snow blower/mower
- This mower will replace the 2019 11' Tor batwing mower
- This equipment will replace the 2019 Skid Loader
- This mower will replace the 2022 72" mower.
- Light replacement/repair...no new additions

##### Mowers

- 2022 Kubota Tractor
- 2022 Kubota 360 snow blower
- 2022 Kubota ZD21 (mower)
- 2013 Kubota ZD21 (mower)
- 2013 HR111 Jacobson (mower)
- 2015 72" Mower/Blower
- 2018 Kubota ZD21 (mower)
- 2019 11' Toro Batwing (mower)

##### Heavy Equipment

- 2020 Backhoe
- 2020 Mini Excavator
- 2020 Mule (multi-use)
- 2019 Skid Loader
- 2008 tractor w/mower boom
- 2008 Mule (Multi-use)
- 2010 Toro Ballfield Draggar

2025 The Major Town Project Account covers new Capital Improvement Projects aimed at improving the Town's infrastructure.

- 1 Street Lighting conversion to LED replacement program.
- 1a A study to determine the feasibility of creating a solar field and use virtual metering to offset streetlight energy costs.
- 2 Improvements along Fisher Avenue, including crosswalks, improved intersections, sidewalks, signage, banners and streetlights.
- 3 Replacement and new sidewalks throughout Town in accordance with the Parks & Streets Board's recommendation.
- 4 GIS mapping of Town utilities and infrastructure.
- 5 Safety improvements at the intersection of Hughes Rd. and Tom Fox Rd and as identified.
- 6 Replace of existing wiring and upgrade to panels.

**Notes**

**Shading key in Table:**

**Expenditures/Closed Projects**

**Budgeting, Planned Expenditures for this Budget Year**

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure.

- 1 Park replacement will occur as part of the Parks Board's replacement recommendations.  
Park tot lot equipment is on a 20-year replacement cycle per the following schedule:

Park	Built	Cost	REPL. Year
Bodmer Park	2004	\$250,000	2030
Halmos Tot Lot	2005	\$150,000	2031
Brooks Park	2007	\$210,000	2033
Wootton Heights Tot Lot	2010	\$160,000	2035

- 2 Full replacement of existing restroom facility.  
3 Engineered wood fibered mulch for tot lots.  
4 Placement of Bike Racks per Parks Board recommendations.  
5 Planting of wildflowers near the Collier Circle trail.  
6 Replacement of tot lot equipment (insurance reimbursable)  
7 Mill, paving and backboard replacement  
8 Wood Bollard Replacements.  
9 Replacement of existing park equipment.  
10 Removal due to potential health risks.  
11 Lights surrounding the pickleball courts.
- 12 Expansion of existing facility  
13 Mill, pave and repaint courts  
14 Mill, paving and backboard replacement  
15 Under design, location Dillingham Park  
16 Replacement of existing facility  
17 New courts

**Notes**

2040

**Shading key in Table:**

**Expenditures/Closed Projects**

**Budgeting, Planned Expenditures for this Budget Year**

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure.

Major Street Repair Projects address the need to maintain, repair and resurface Town streets.

All Town roads are evaluated and prioritized every two years. Estimates in the out years reflect a 3% annual increase each year.

Speed humps may be added to increase speed awareness in residential areas.

#### Notes

[1] The Water and Wastewater Fund Summary is divided into two parts:

- \* The upper section presents the status of the Operating Account, including yearly revenue, allocations for Capital Projects, the Annual Operating Balance, Unrestricted Funds carried forward, and finally, the Unrestricted Funds Close-Out Balance for the year. Note that the Water and Wastewater Fund Capital Projects are funded by the General Fund, as W&WW revenues are used to cover the Operating Expenses.
- \* The lower section summarizes the activity in the Water & Wastewater Fund Capital Projects Account, including funds carried forward, new funding from the Operating Account, and funding from other sources (including Subsidy from General Funds), all summarized in the total funds available for Water & Wastewater Capital Projects. Actual or Planned Capital Spending is shown, ending in the Funding Balance for Capital Projects.
- \* In an effort to maintain the Water and Wastewater funds as an Enterprise Fund, rates will be raised to fund these operations. As always a critical eye is on spending. However, many of the costs associated with the operations, such as electricity, chemicals and fuel are fixed and are reduced or maintained as much as possible. Over the past years, grants have been received for the installation of variable drive motor controllers and lighting upgrades to reduce electrical demands.

#### Account Descriptions

The Major Account Group 700 covers all direct expenses associated with the administration, operation and maintenance of the Wastewater System, including outside contracts, utility costs, water and sewer supplies, and maintenance and repair costs.

- 701 This account pays for the sludge hauling to landfills and periodic permit sludge testing.
- 702 This account covers sample analysis from outside labs.
- 703 This account covers the electricity of the whole compound, and 7 sewerage pumping stations are included in this account.
- 705 This account is for chemicals used in the treatment of the wastewater.
- 707 This account is for minor building maintenance.
- 708 This account covers in house lab testing supplies and minor test equipment.
- 709 This account covers small tools specific to wastewater system work.
- 710 This account covers parts and direct costs associated with maintaining the WWTP. Major Rebuild/replacements are in CIP Accounts.
- 711 This account funds the annual replacement of the ultra violet disinfection lamps. Lamps are now in CIP Accounts.
- 712 This account covers minor repairs and general maintenance of the sewer systems. Major rebuild/replacements are in CIP accounts.
- 755 This account covers salaries for field staff.
- 757 This account pays for the portion attributed for office staff.
- 761 This account pays for employee uniforms, t-shirts, sweatshirts and safety boots.
- 763 This account pay a portion of the accounting fees.
- 765 This account pays for legal fees connected with the system.
- 771 This account pays for office supplies connected with the system.
- 773 This pays for phone bills connected with the system.
- 775 This account pays for wastewater properties, such as the plant and pump stations.
- 781 This account covers a proportionate share of the total cost.
- 783 This account pays a proportionate share of truck operations.

The Major Account Group 750 covers all direct expenses associated with the administration of the Wastewater System, including full salary burden, personnel costs, office operation, all insurance, and truck operations.

#### Notes

- [1] This page summarizes the five Capital Projects accounts associated with Water & Wastewater Fund capital expenditures. The summary is divided into three sections as follows:
- \* The top part of the page summarizes the costs of the various projects and the overall funding streams developed to implement those projects. Also included in the top section is a summary of all special funding available to augment the regular Funding Subsidy from the General Fund. The bottom line in the top section, Acct. 3000, subtracts the special funding and identifies the Net Amount which has been, or will be, funded by means of a Capital Projects Subsidy from the General Fund Revenues.
  - \* The middle part of the page summarizes the programmed expenditures of the funds to accomplish the various capital projects.
  - \* The bottom part of the page reflect the remaining balances in each of the accounts at the end of each Fiscal Year.
- [2] See the following Capital Account pages for detailed information.

#### Notes

##### Shading key in Table:

##### Expenditures/Closed Projects

##### Budgeting, Planned Expenditures for this Budget Year

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure.

**3130 This account covers all aspects of expanding and improving the Town's water collection and distribution system.**

- This category provides for the replacement or major rebuild of pumps and major components.
- This project provides for the replacement of old and poorly operating water main valves.
- Well implementation includes final permitting and ongoing monitoring required by MDE.
- Wells 7 & 9 treatment system media is replaced on a five-year cycle.
- Alarm Communication System
- This project provides for protective coating of the elevated water storage tank.
- Replacement of poorly functioning hydrants.
- Funding provides pilot testing, analysis and eventually treatment system installation.
- Well Funded through Developer and Impact Fee Funds. Part of the Westerly Grove Subdivision.
- Future well funded by the developers through Impact Fees.

Shading key in Table: Expenditures/Closed Projects Budgeting, Planned Expenditures for this Budget Year													
The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure.													
3150	Includes all major maintenance, modernizations, upgrades and expansions to the sewage collection/treatment/disposal systems.												
1	The replacement or major rebuild of pumps and major components.					14	Replacement of original equipment.						
2	Full bulb change-out every other year.					15	Replacement sludge pump						
3	Construction of a denitrification filtration system					16	Replacement of main controller.						
4	Total of five basins to be recoated, 1per year.					17	Replacement of original equipment.						
5	Replacement of original equipment.					18	Upgrade to sludge processing equipment						
6	Replacement of original equipment.					19	Replacement of original equipment.						
7	Replacement of electronic control equipment.					20	Upgrades to existing pump station.						
8	Repairs to the outdoor suge basin.					21	Upgrade to existing pump station.						
9	Repairs to solids removal system.					22	Replacement of original equipment.						
10	Updates to existing system.					23	Repainting of pipe gallery.						
11	Replacement of entire WWTP roof												
12	Contractor to remove accumulated solids												
13	Replacement of original equipment.

The indicated funding balances for closed/completed projects are transferred to the Carry-Over Funds in the year following closure.

3170 General Infrastructure Programs, which do not "fit" into other Water & Wastewater Accounts, are tracked in this Account.

- This program will provide funding for large unanticipated infrastructure repairs and total water line section replacements in the future.
- Funds accumulating for future infrastructure replacement needs. FY22 defined water line replacement project in most critical area.
- Funds for water line replacement
- Funds for water line replacement
